Re: Architectural Hardware Products, Inc.
Move Date

Dear Jeff:

Architectural Hardware Products, Inc. is requesting that they be allowed to remain at the 912 Railroad Avenue location until September 30, 2003. As indicated in our telephone conversation, a site of future offices has been purchased, an architect has been engaged and has drawn complete plans, and we are currently going through the permitting process.

We will begin construction as soon as we receive the permit, and to the extent we complete the project any earlier than September 30, we will certainly notify you.

Jeff, thank you for considering our request. If I can provide you with any additional information, please do not hesitate to contact me.

Very truly yours,

CULPEPPER CONSTRUCTION COMPANY, INC.

John F. Hubbs
Vice President
