Re: Water Service Pre-application
WCTV Thomasville Road

Dear Mr. Brown:

Talquin Electric Cooperative, Inc. (Talquin) hereby submits a water service area pre-application for properties fronting on the east side of Thomasville Road in the vicinity of Chiles High School. WCTV has purchased an existing TV station site within this pre-application request and plans on extending a Talquin water main to the site for both potable water and fire flow purposes.

As required within Section 2.3.2 of the county's Policies and Procedures document for the construction of water utilities within Leon County, the following information is submitted for this water service pre-application:

1. The properties containing the water service area within this pre-application are drawn in yellow on a copy of the Leon County Property Appraiser's map on Attachment "A". The existing Talquin water service area is drawn in blue on this same attachment.

2. The names, addresses and tax parcel numbers of the properties contained within this pre-application are listed on Attachment "B".

3. A conceptual drawing of the proposed water main to be extended to serve the properties within this pre-application is drawn on Attachment "C-1". A general description of this water system is included on Attachment "C-2".

4. A check payable to Leon County in the amount of $200 for this pre-application is attached.

If you have any questions regarding this pre-application, please feel free to call me at 562-0125.

Sincerely,
TALQUIN ELECTRIC COOPERATIVE, INC.
