Bradfordville Study Area

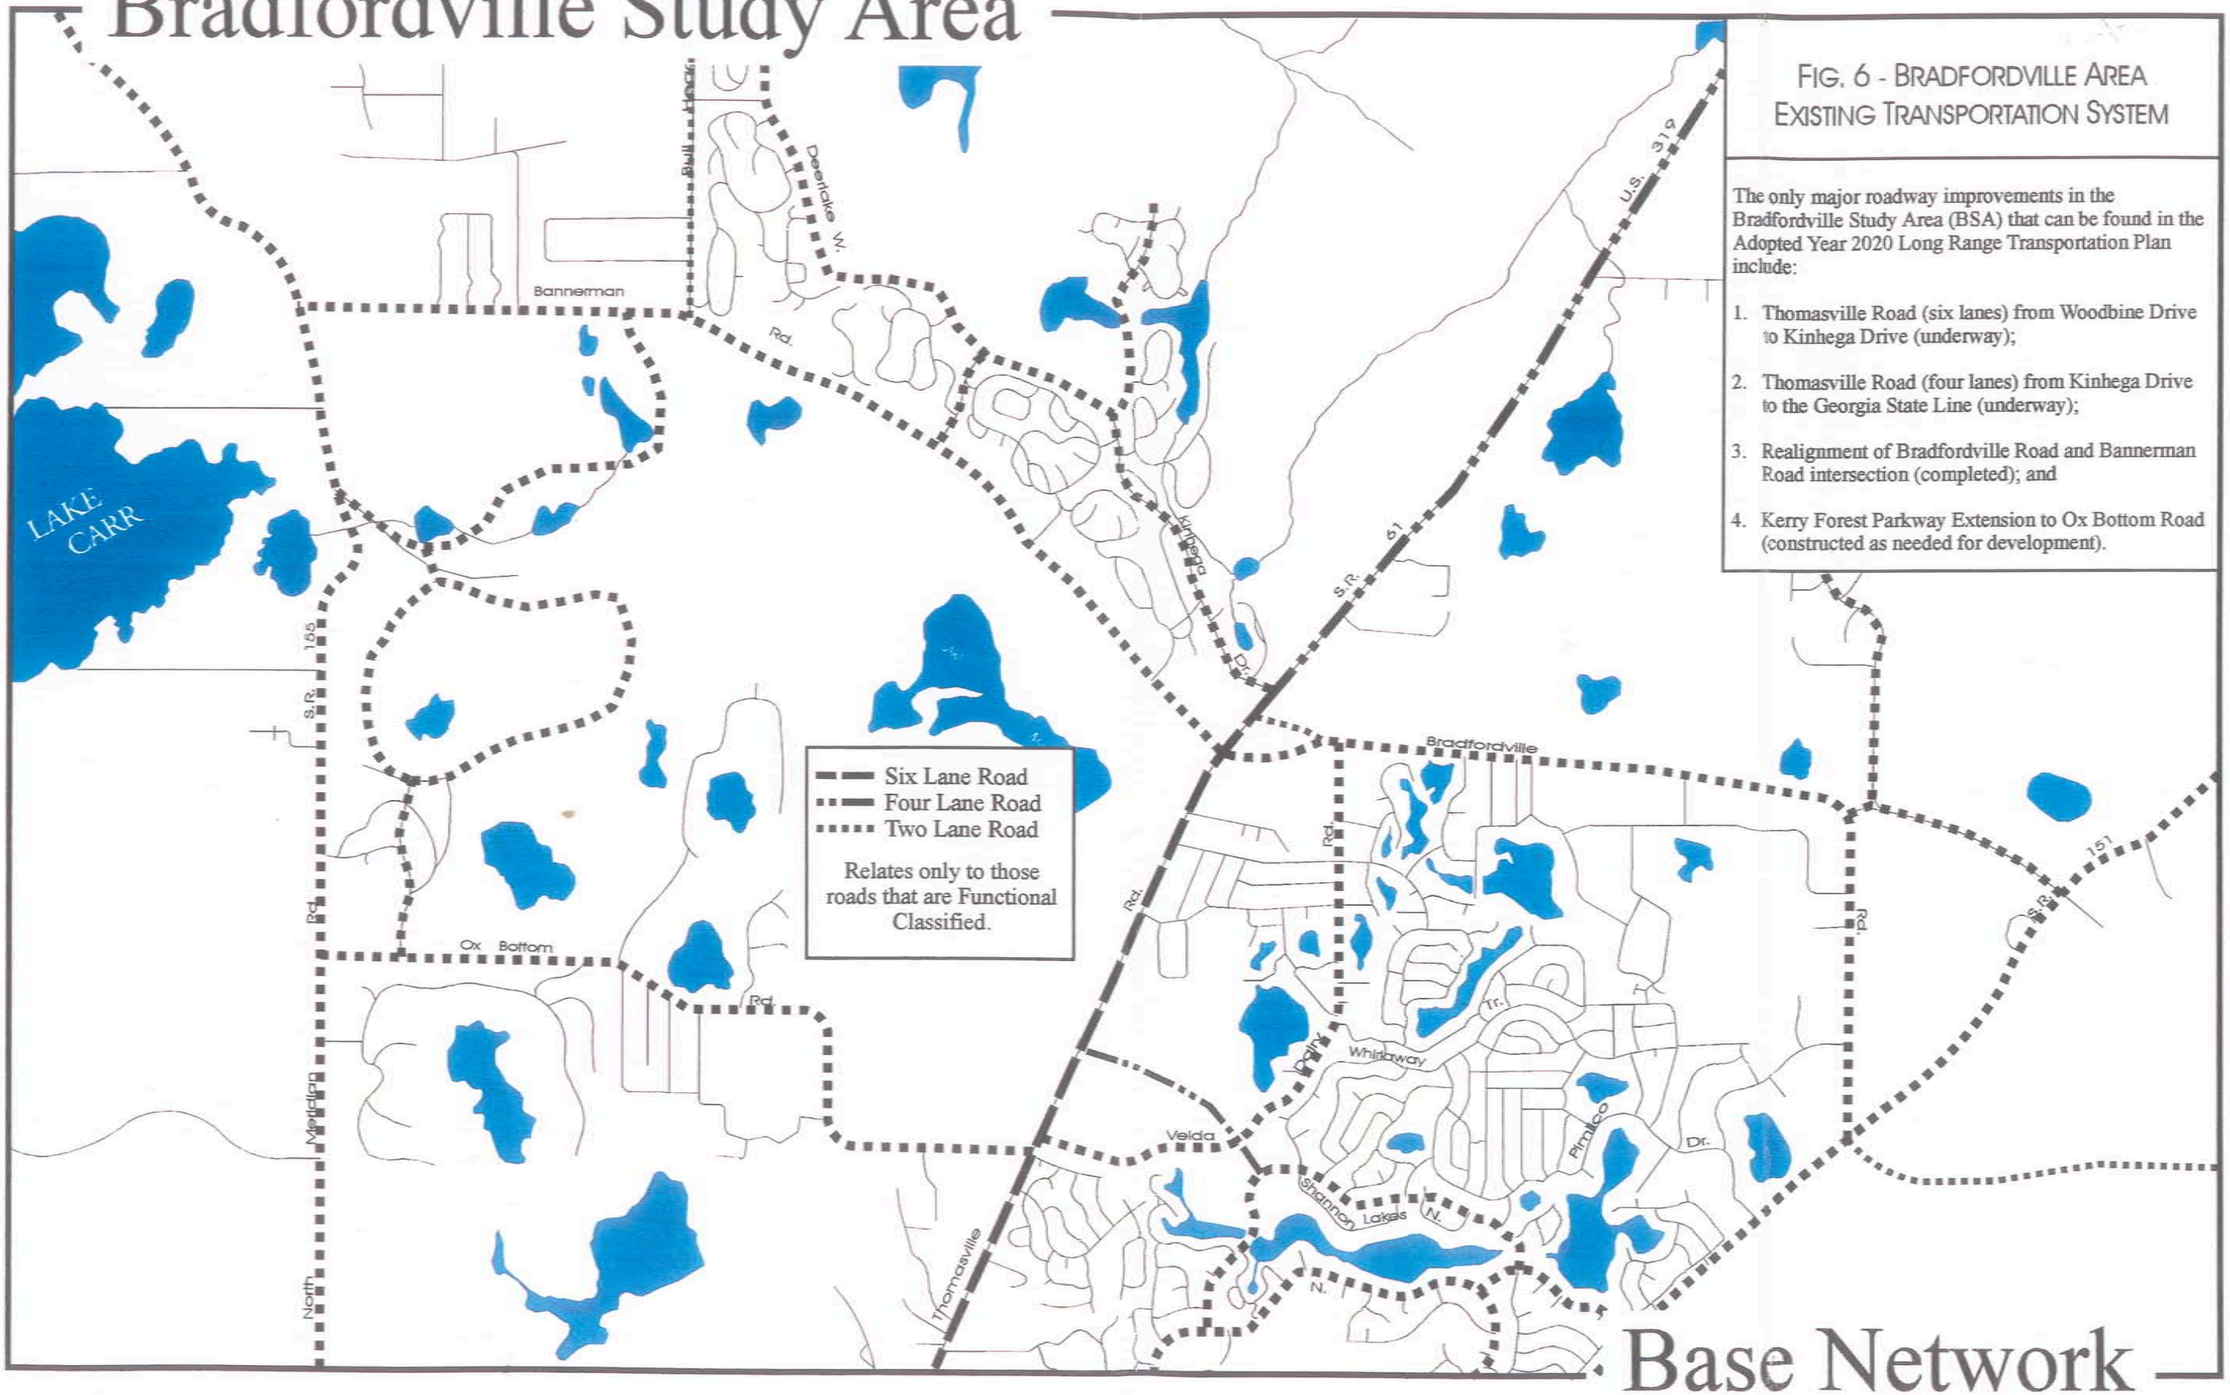

FIG. 6 - BRADFORDVILLE AREA EXISTING TRANSPORTATION SYSTEM

The only major roadway improvements in the Bradfordville Study Area (BSA) that can be found in the Adopted Year 2020 Long Range Transportation Plan include:

1. Thomasville Road (six lanes) from Woodbine Drive to Kinhega Drive (underway);
2. Thomasville Road (four lanes) from Kinhega Drive to the Georgia State Line (underway);
3. Realignment of Bradfordville Road and Bannerman Road intersection (completed); and
4. Kerry Forest Parkway Extension to Ox Bottom Road (constructed as needed for development).
