Re: Space Allocation Forecast for the Courthouse

Dear Chairwoman Sauls:

I write for State Attorney Willie Meggs to record his agreement with the conclusions reached at the meeting held September 17, 2004. We are very appreciative of staff's consideration of our space needs both now and in the future. The changes agreed to with respect to future use of the fourth floor area contiguous to our offices provides room for growth of the State Attorney's office, not to mention relief from our current situation.

We realize that any expansion into these areas is a ways off but not reaching these agreements now effectively rules out use of the space by our office in the future.

Please express our thanks to your staff for involving us in the process and for providing opportunity for input.

Yours truly,

Carl J. Whitley
Executive Director
