**CAPITAL CIRCLE SOUTHWEST  
COMMUNITY TOWN HALL MEETING**

---

**Tallahassee** – Blueprint 2000 will hold a **Community Town Hall Meeting** regarding the Project Development and Environment (PD&E) Study for Capital Circle Southwest, from Crawfordville Road (SR 61/US 319) to Blountstown Highway (SR 20), a distance of approximately 6.7 miles. This project is funded by the extension of the local one-cent sales tax approved by Leon County voters.

The Community Town Hall Meeting will be held on **April 12, 2007** from 6:00 p.m. to 8:00 p.m., at **Tallahassee Community College** in the **Student Union Ballroom**. The purpose of this meeting is for the project team to share results of six individual District Forums held throughout the study area during February 2007. Findings from each of the district meetings will be discussed. Exhibits summarizing existing conditions in the Study Area will also be available for review. In addition, this meeting will provide information about the upcoming Concepts Charrette.

We encourage you to attend and look forward to your presence at the Community Town Hall Meeting.
