Re: Notice of Termination of Contract

Dear Sir:

Please be advised that Leon County herewith provides its Notice of Termination in accordance with certain contract provisions that have been assigned to Satellite Tracking of People, LLC (STOP). As you may be aware, Leon County, Florida entered into a contract with Veridian Information Solutions, Inc. effective October 4, 2002. The contract was subsequently assigned to General Dynamics and thereafter assigned to STOP. The contract provides for an initial term of one year with two one year renewals. The contract renewal provision in Section 3 provides that the contract may be renewed automatically for succeeding periods of one year each on the anniversary of the effective date. This occurred on October 4, 2003 and October 4, 2004.

Further, Section 14.3 provides that the Agreement may be terminated without cause by either party by giving written termination notice to the other party at least sixty (60) days prior to the effective date of such termination. Therefore, please consider this correspondence as Leon County's Notice of Intent to Terminate the Agreement sixty (60) days from the date upon which you receive this notice. Naturally, your company will be compensated for all services rendered hereunder until the effective date of termination.
