Subject: Contingency Fund item

PA,

At the County Commission Meeting last night(1/10/06) I made a request of up to $2000 to support the MLK Foundation Awards held every year in the Leon County Courthouse. This request was made with the intention to have it come from the contingency fund and not my Commission Account. I will be bringing this matter up at the next Commission Meeting, but in the interim I will request payment from the Contingency Fund in the amount of $2000. Please advise if this is the proper course of action. Thank you in advance.

DeLane Adams for Chairman Bill Proctor
