

Environmental Stewardship Questionnaire

1. Please check which of the following best describe your perception of our energy and environmental crisis:
 Extremely severe, requiring urgent and immediate action.
 Moderate, current pace of action is sufficient.
 Blown out of proportion, need to roll back some regulations.

2. Please check any of the following local environmental/energy saving initiatives that you are aware of:
 City of Tallahassee's Weatherization Program
 City of Tallahassee's Demand Side Management Plan
 Leon County's Climate Action Plan
 TAPP (Think About Personal Pollution)
 CONA's Neighborhood Energy Use Reduction Challenge

 _____ (add others you know of and check)
Check here: if you will like to receive information about any initiative you are not familiar with.

3. Would you seriously commit to a Self Energy Management Plan "SEMP" that consists of taking small steps (i.e. replacing incandescent with compact fluorescents lights, install low flow shower heads, low water commodes, car pooling, etc.) that would cut your energy use by about 30%? Yes / No

4. Please check any of the following Alternative Energy Sources we should pursue as a community:
 Solar
 Wind
 BioMass
 BioDiesel
 Nuclear

 _____ (add others you know of and check)

5. For any of the energy sources that you think we should pursue, check all procurement options you favor:
 Solicit local and/or out of town private corporations to construct and operate
(with; or without possibility of profit sharing and ownership reverting to county in 30yrs)
 County partner with private corporation to construct and operate
 County partner with City of Tallahassee to construct and operate
 County construct and operate as primary proponent and "consulting/mentoring" role from the City, Talquin or other experienced utility companies

 _____ (add others)

6. Please provide additional comments, observations, or suggestions below:
