Under this amendment, the current limits on the maximum number of students assigned to each teacher in public school classrooms would become limits on the average number of students assigned per class to each teacher, by specified grade grouping, in each public school. This amendment also adopts new limits on the maximum number of students assigned to each teacher in an individual classroom as follows: for prekindergarten through grade 3, 21 students; for grades 4 through 8, 27 students; and for grades 9 through 12, 30 students. This amendment specifies that class size limits do not apply to virtual classes, requires the Legislature to provide sufficient funds to maintain the average number of students required by this amendment, and schedules these revisions to take effect upon approval by the electors of this state and to operate retroactively to the beginning of the 2010-2011 school year.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p>Limitation on Local Campaign Contribution as Proposed by the Citizen Charter Review Committee Shall the Home Rule Charter of Leon County, Florida be amended to establish limits on campaign contributions for candidates for county commissioner and county constitutional offices to \$250 per election from individuals or political committees; effective January 1, 2011?</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>
