

LIGHTING A WAY FOR FLUORESCENT LAMPS

They're great for saving energy, but contain mercury. Many Leon County residents ask how they can safely dispose of them.

They can dispose of them for free by visiting:

- The Hazardous Waste Center
- A Rural Waste Service Center
- A Collection Event.

We accept other mercury-containing items like thermometers and thermostats, as well as fluorescent ballasts. A licensed contractor collects the material to recycle the mercury.

For more information, please call 606-1803 or visit our website:
<http://www.leoncountyfl.gov/HHW/>

Businesses can call 606-1816 for an appointment. Disposal fees will apply.

HAZARDOUS WASTE CENTER

Monday – Saturday, 8:00 AM – 5:00 PM

7550 Apalachee Parkway
Tallahassee, FL 32311
