

## When the Spark is Gone Recycling E-Scrap

Many electronic items contain materials that are hazardous to put into landfills. Leon County residents have several options to recycle their old e-scrap.

They can dispose of it for free by visiting:

- The Hazardous Waste Center
- A Rural Waste Service Center
- A Collection Event.

Leon County contracts with an environmentally-responsible recycler that safely disassembles and scraps all electronic items. All work is done in the USA and none is exported.

For more information, please call 606-1803 or visit our website: <http://www.leoncountyfl.gov/HHW/>

Businesses can call 606-1816 for an appointment. Disposal fees will apply.
