

OILS AND FUELS: DEALING WITH A DIRTY PROBLEM

What can the home mechanic do with waste motor oils and fuels? What can Leon County residents do with old cooking oil?

They can dispose of it for free by visiting:

- The Hazardous Waste Center
- A Rural Waste Service Center
- A Collection Event.

After inspection, unopened oils and greases are placed in our free Swap Shop. The rest is sent to a licensed hazardous waste contractor for recycling or proper disposal.

For more information, please call 606-1803 or visit our website: <http://www.leoncountyfl.gov/HHW/>

Businesses can call 606-1816 for an appointment. Disposal fees will apply.
