

AFTER THE HARVEST

After tending their yard or garden, many Leon County residents wonder what to do with unused pesticides, fertilizers and other lawn care products.

They can dispose of it for free by visiting:

- The Hazardous Waste Center
- A Rural Waste Service Center
- A Collection Event.

Usable products with intact labels are placed in our free Swap Shop. The rest is sent to a licensed hazardous waste contractor for proper disposal.

For more information, please call 606-1803 or visit our website:
<http://www.leoncountyfl.gov/HHW/>

Businesses can call 606-1816 for an appointment. Disposal fees will apply.
