Bid Title: Leon County Courthouse Annex Building Elevator Upgrades

Bid No: BC-02-24-09-18

Opening Date: Tuesday, February 24, 2009 at 2:00 PM

ADDENDUM #1

Dear Vendor:

This letter serves as Addendum #1 for the above referenced project and provides an answer to the following question received.

Question:

We will be using a crane that we will be using on the Courthouse Annex. Can we apply plywood down on the rooftop and slide our equipment on the plywood once it is hoisted to the top of the building? The weight would not exceed 1000#.

Answer:

This will be allowable so long as:

1. Roof is thoroughly protected.
2. Live and dead loads do not exceed 75# per square foot. In excess of that and we will need to have a structural engineer look into the actual situation.

The Contractor will be responsible for all damages, and for arranging to modify his equipment loading footprint to meet the structural engineer's requirements.

Acknowledgment of this addendum is required as part of your bid submittal. Failure to acknowledge this addendum may result in rejection of your bid.

Should you have any questions, feel free to call me at (850) 606-1600.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith M. Roberts".
