

LEON COUNTY E.M.S.
Standard Operating Guideline

Title: Communications – Emergency Contingency/Evacuation Plan

CAAS: 204.02.01

Effective: June 6, 2005

Reviewed: September 2008, December 2012

Revision: 2

Pages: 1

I. Purpose:

The purpose of this policy is to define the procedure to follow should the LCSO Communications Center be evacuated.

II. Procedure:

In the event that the LCSO Communications Center is evacuated, the on-duty supervisor shall immediately be notified. The SSC will log the position of all on-duty units and follow the LCSO SOP COM-43 (attached) for evacuating.

Should the SSC require any further assistance during the evacuations, he/she may ask that the on-duty supervision or the closest unit report to LCSO to provide that assistance.

Attached: LCSO SOP COM-43 Communications Center Evacuation Plan.
