I. PURPOSE:

To provide the citizens of Leon County information on health and fall prevention with Senior Citizens.

II. GENERAL GUIDELINE:

The Captain for Public Education will coordinate events for Leon County EMS personnel to provide training in Senior Health and Fall Prevention.

III. PROCEDURE:

Leon County EMS personnel should check-in with the Public Education Captain prior to the event to receive the details of the assignment along with contact information for the individual in charge at the event. Upon arrival at the training, the crew should locate the individual in charge. EMS personnel should educate the participants on risk factors for falls and elderly specific illnesses and injuries.

Prior to leaving headquarters after the conclusion of the event, the crew is responsible for completing a run report in HealthEMS.
