---

### I. PURPOSE:

To provide the citizens of Leon County information on Leon County EMS

### II. GENERAL GUIDELINE:

The Captain for Public Education will coordinate events for Leon County EMS personnel to provide information on EMS

### III. PROCEDURE:

Leon County EMS personnel should check-in with the Public Education Captain prior to the event to receive the details of the assignment along with contact information for the individual in charge at the event. Upon arrival at the training, the crew should locate the individual in charge. EMS personnel should educate the participants on:

- The history of Leon County EMS
- System status
- Statistics from the previous year
- Dispatching
- Types of calls Leon County EMS responds to
- Public education

Prior to leaving headquarters after the conclusion of the event, the crew is responsible for completing a run report in HealthEMS.
