Dear Property Owner:

RE: Lakeshore Drive Re-Ranging Initiative

In 1995, Leon County and the City of Tallahassee took a collective approach to resolve property addressing issues by forming the Addressing Steering Committee (ASC). Some of the issues that are reviewed by the committee are duplicate addresses, odd and even numbering discrepancies, and addresses out of sequential order, as well as street naming concerns. The ASC aims to provide a complete set of addresses for Leon County and the City of Tallahassee by using a more uniform approach for users of addressing information.

Due to numerous concerns and complaints received by the ASC, a review process is now underway to resolve the addressing anomalies along “***Lakeshore Drive, North, South, East, and West.***” In keeping with the philosophy of the ASC, a Public Town Hall Meeting has been scheduled for property owners who own land abutting this roadway. This meeting is being conducted to discuss the issues of concern and establish possible resolutions to those issues, in order to adequately protect the health, safety, and welfare of the general public and the residents along this roadway.

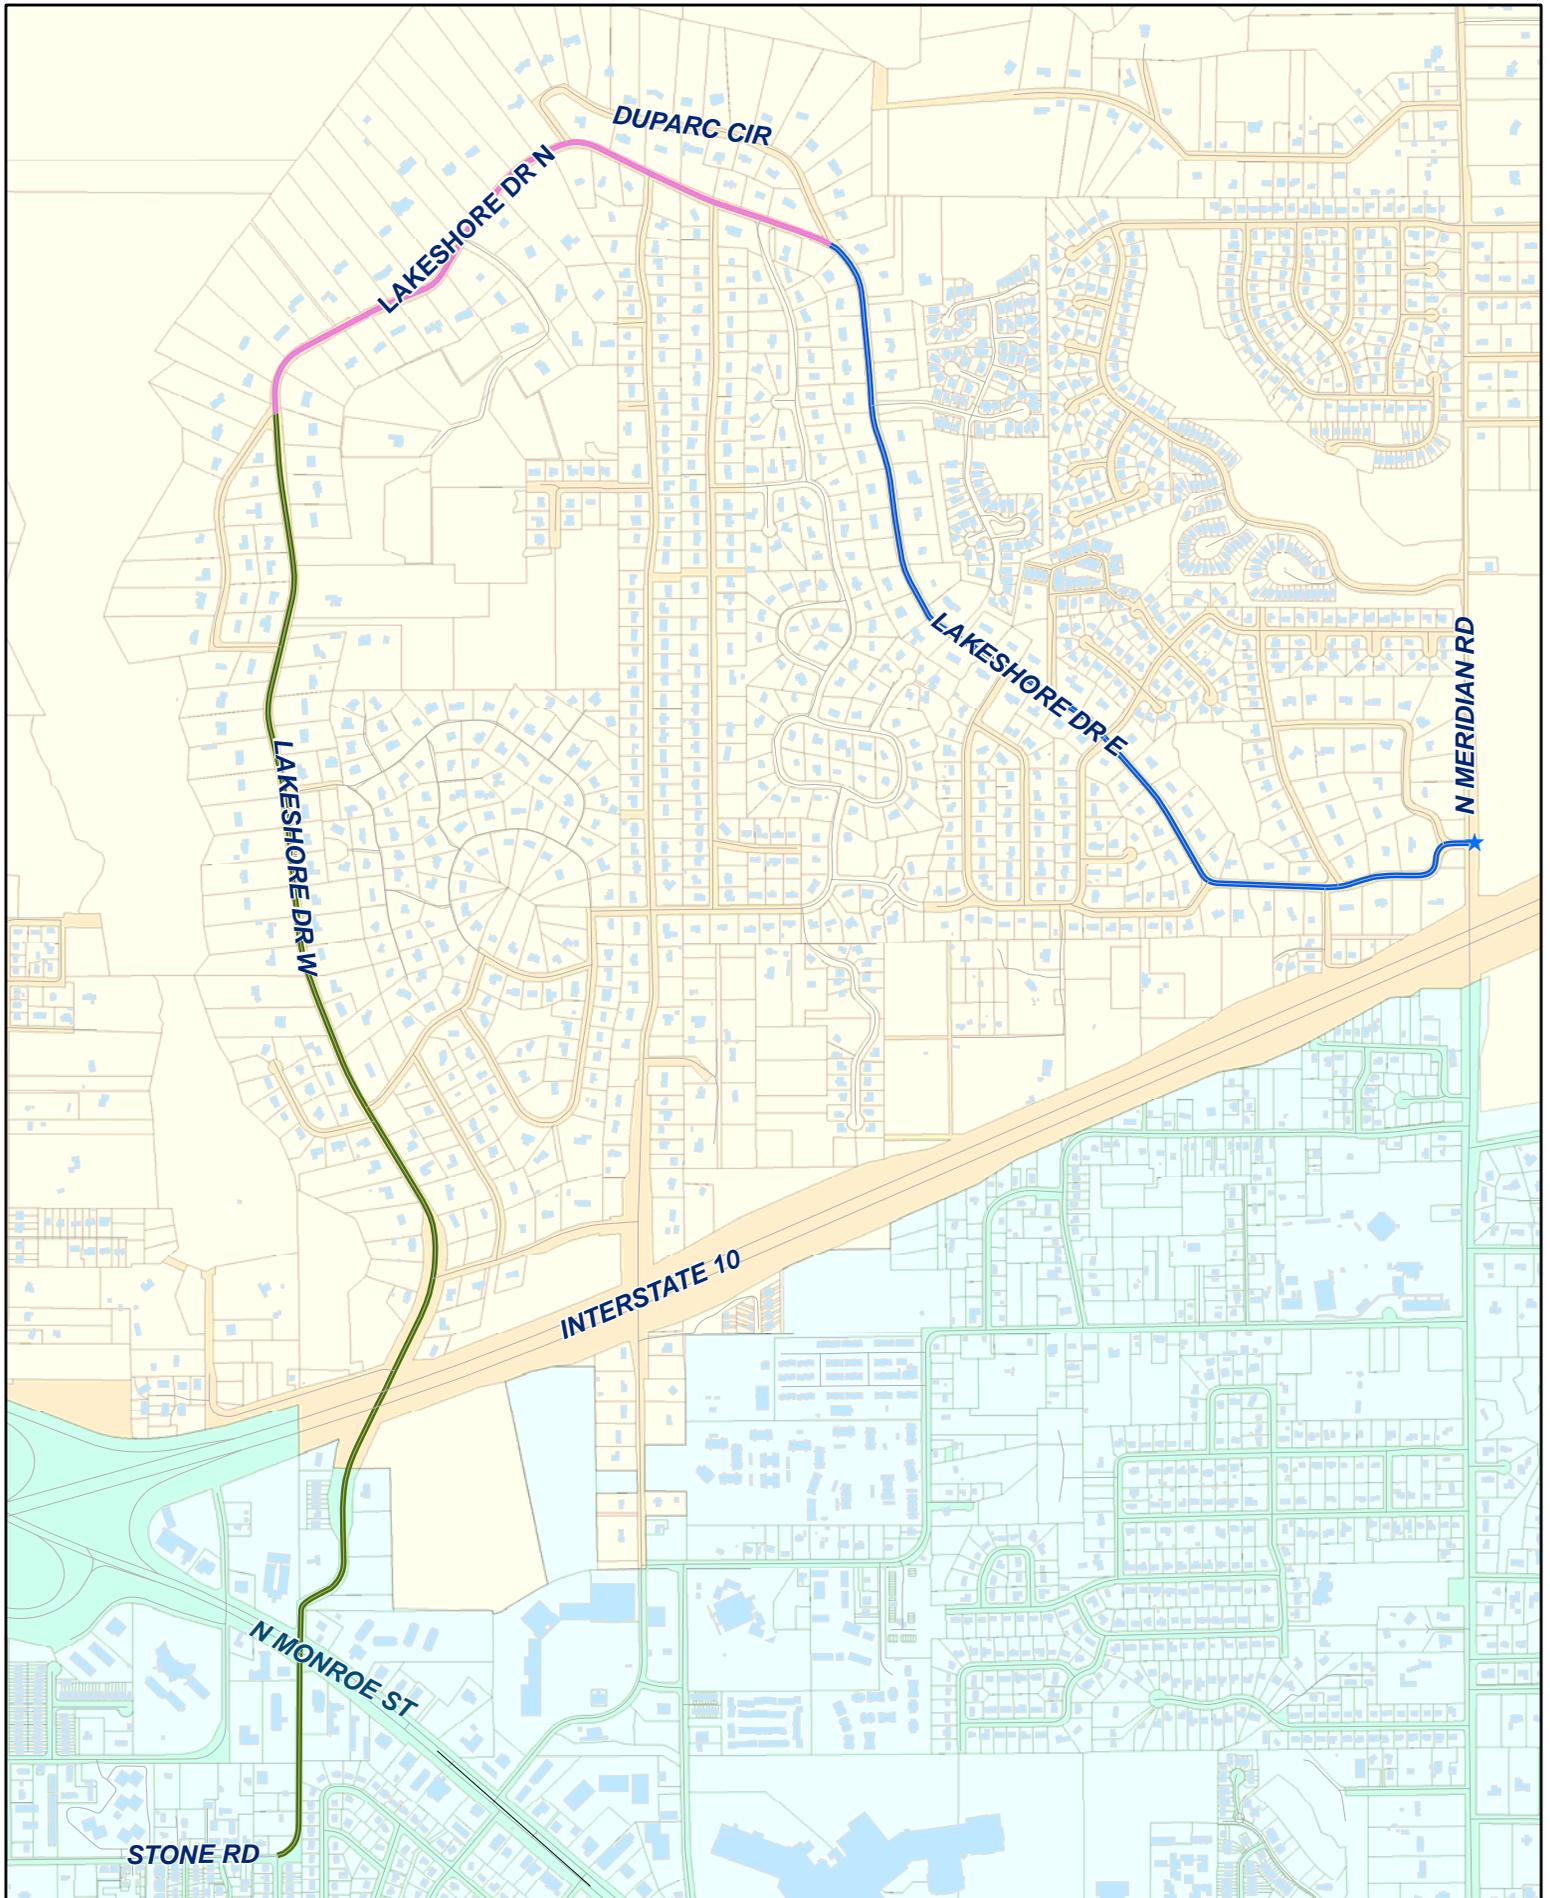

The Town Hall/Community Meeting is scheduled for ***Wednesday July 29, 2009, at Sealey Elementary School’s Media Center, located at 2815 Allen Road, from 6:00 to 8:00 P.M.***

In accordance with Section 285.26, Florida Statutes, persons needing special accommodation to participate in this proceeding should contact Christine Coble or Facilities Management, 301 South Monroe Street, Tallahassee, Florida 32301, by written request at least 48 hours prior to the proceeding. Telephone: (850) 606-5300 or (850) 606-5000; 1-800-955-8771 (TDD), or 1-800-955-8770 (Voice, via Florida Relay Service).

Your input as an affected property owner is extremely important and we welcome any questions you may have. Should you have any questions regarding this community meeting, please contact the Leon County Addressing Section at (850) 606-1300.

Respectfully
Leon County Addressing Staff
