   A. The County is an Equal Employment Opportunity Employer.
   B. Applicants are recruited based on job requirements. The County recognizes the opportunity to fill positions from internal candidates possessing the desired qualifications, and to promote from within whenever possible.
   C. Job opportunities are communicated through job postings on the County website, bulletin boards, paid advertisements, public service notifications, notifications to community organizations and any other means deemed necessary by the Human Resources Division. Employees who are seeking career advancement opportunities are encouraged to use the job posting system as a method for seeking a position.

3.02 Consideration of Applications
   The Human Resources Division deems applications to be valid for consideration when:
   A. The application is submitted before the deadline date.
   B. The application is filed using the prescribed recruitment software.
   C. The application is substantially complete.
   D. The application reflects that the applicant possesses the required knowledge, skills, ability, and experience.
   E. The application is not in any way falsified.
   F. The application reflects that the employment of the applicant would not violate the County's nepotism policy.
   G. The application reflects that the applicant meets other valid and lawful employment requirements for the position that is vacant.

3.02.1 Procedure: Method of Rating and Selection
   After the advertising period, applicants will be evaluated to determine eligibility for consideration. Each applicant considered to possess the minimum qualifications, whose application contains a Notice of Layoff from a State of Florida agency or department and whose application does not indicate employment for any period following the issuance of the Notice of Layoff, will be granted an interview by the selection committee.

   LCBCC gives preference in appointment to eligible veterans and their family members as defined in Chapter 295, Florida Statutes. In order for applicants to claim veteran’s preference, the documentation required by law must be provided to the County.

   Those applications not meeting the stated minimum qualifications, regardless of layoff status, will be retained by the Human Resources Division.
3.02.2 Procedure: Selection Committees

Committee Composition: The committee will be comprised, at a minimum, of the immediate supervisor of the available position and not less than two (2) other members, with at least one being a representative from outside the work area.

Each hiring manager should make every effort to appoint a committee that represents a diverse cross section of Leon County employees. Other important considerations are involvement of a similarly classed worker and representation from within the work area.

The committee members must be finalized with the Department/Division Director and approved by the Employee Relations Manager.

Applications are reviewed by the committee, and the interview candidates are chosen. The number of candidates may vary by the size of the selection pool but must include each applicant designated by Human Resources as a genuinely displaced state worker and applications of veteran(s) who are eligible for preference.

After completion of the interviews, the committee will determine its recommendation and will conduct three telephone employment reference checks on its top candidates.

Upon completion of satisfactory reference checks, the recommendation will be forwarded to the hiring authority, along with relevant written materials. Included in the material should be specific reasons why the chosen applicant is better qualified and/or why the County's needs will be better served by such a hiring decision; additionally, a brief, but detailed, explanation as to why the other applicants were not chosen. Upon approval by the hiring authority, the recommendation will be sent to the Human Resources Division.

The committee chairperson is responsible for the accuracy of the documentation of the process, for the return of all reviewed applications, and the completion of all prior employment verifications. Moreover, the committee chairperson is responsible for contacting the prospective employee to guarantee their continued interest.

After review of the documented process by Human Resources staff, an offer letter will be written, and proper signature obtained (the County Administrator or designee will sign all letters). Human Resources will extend a job offer, conditioned upon obtaining a signed authorization for the procurement of an investigative consumer report for employment purposes, a satisfactory background investigation in accordance with all local, state, and federal laws, and a negative drug test result as required by Board Policy No. 16-1, to the selected candidate, and schedule a new employee sign-on.

An employee who perceives that they have been treated unfairly in the hiring process, and/or the promotional process, should contact either the Employee Relations Manager or the Human Resources Director for fact-finding. If determined to be a valid claim, the appropriate authority will investigate the issue further and make a recommendation to the County Administrator.
3.02.3 Procedure: Initial Placement

Initial Placement of Employees Hired as a Result of Competitive Selection or Emergency Appointment:

Competitive initial placement refers to the procedures to be followed for determining initial salary within the salary range for the pay grade classification to which the position is assigned for any individual who is selected from a pool of applicants who have competed for the same position. Emergency appointments occur when it is impossible to fill a position utilizing normal hiring procedures. When the appointment is to last beyond three weeks, the hiring authority will make arrangements to fill the position under the provisions of the hiring policies.

The starting salary for those meeting the minimum qualifications will be the minimum salary in the salary range to which the position is assigned.

All recommendations for exceeding the minimum salary must be agreed upon by the Human Resources Director or designee prior to the extension of the offer.

Education and experience, exceeding the minimum requirements for the position as verified by an associate degree, bachelor’s degree, master’s degree, doctorate degree, or professional certification, and job-related experience may be considered for higher than minimum initial placement within the salary range. The Department/Division Director, in consultation with the Human Resources Director or designee, may approve initial placement up to 15% above the minimum salary of the range.

Determination of whether or not education and experience is job-related and of qualifying criteria for professional education or certification will be made by the Human Resources Director in consultation with the hiring Department/Division Director.

No individual will be initially placed higher than 15% above the minimum of the salary range for any combination of experience and education except upon the written approval of the County Administrator. The County Administrator may approve additional compensation. Placement at a salary level higher than 15% above the minimum must be recommended by the Department/Division Director and forwarded through Human Resources to the County Administrator.

If a position is offered to a regular County employee, the salary may be adjusted to a higher rate in order to fall within the new pay grade salary range and to be in line with other employees working in the same position based on similar experience. The Human Resources Division will conduct a review and recommend a proposed salary.

3.03 Medical Examination

Applicants/employees may be required, prior or subsequent to their employment, to undergo a medical examination to determine fitness to perform the duties of the position. Additional guidelines for Emergency Medical Services’ applicants/employees are found in the Emergency Medical Services Standard Operating Guidelines Manual.
3.04 Probationary Period
A Career Service or Emergency Medical Services (EMS) person, employed on a full or part-time basis, will serve a probationary period. The probationary period should be considered the "working test" portion of the evaluation process. It will be utilized to closely observe the employee's work, determine suitability for continued employment, and for ensuring the most effective adjustment of an employee to the position. The probationary period will be six (6) months in duration, unless extended.

3.04.1 Extension of Probationary Period
The Human Resources Director, upon receipt of a request, justification, and development plan from the Department/Division Director prior to the expiration of the probationary period of a particular employee, may extend the duration of a probationary period. No extension will be allowed that would make the probationary period longer than eight (8) months.

3.04.2 Procedure: Extension of Probationary Period
The Human Resources Director, upon receipt of a request and justification from the Department/Division Director may extend the duration of such period. Requests to extend probationary period must include a staff development plan; including, timetable, goals and measurements.

3.04.3 Procedure: Termination of Employment During Initial Probationary Period
During the initial probationary period of an employee working in a Career Service position, a recommendation may be made to the Human Resources Director for termination, if the development plan has not been met or the employee violates County policy. Should an employee change jobs during the probationary period, the employee will serve a complete probationary period in the new job.

3.04.4 Procedure: Probationary Period Report
At least two weeks before the expiration of a Career Service employee's probationary period, the Department/Division Director will submit a written performance evaluation to the Human Resources Division, indicating whether the employee is recommended for regular status.

3.05 Filling Temporary (O.P.S.) Positions
Positions with duration of less than three (3) months may be appointed. Positions with duration of three (3) months or more must follow the normal hiring process, outlined previously. Seasonal placement is exempted.

3.05.1 Procedure: Establishing Temporary (O.P.S.) Positions
Temporary (OPS) positions will be established by the Board, annually, through the normal budgeting process. Pay for Temporary (OPS) positions will not exceed the pay range of comparable positions. Duration of need is determined ahead of time.
When it becomes necessary to request Temporary (OPS) positions, outside the normal budgeting process to meet unforeseen temporary work demands, justification must be forwarded to the Human Resources Division for coordination with the Office of Management and Budget (OMB), and for approval by the County Administrator. The maximum duration of any Temporary (OPS) position should not exceed two (2) years.

3.06 Transitioning

A. Employees filling Temporary (OPS) positions may be considered for transition to a like vacant position upon written justification to the Human Resources Director.

B. Transitioned employees will serve an initial probationary period after transition.

C. Length of service for purposes of establishing the accrual rate will begin on the date of the transition.

D. The annual performance review date will be the date of the transition.

3.06.1 Procedure: Transitioning

Division Directors may provide preliminary consideration to existing OPS and part-time employees in filling like regular full-time positions. The procedure will be:

A. When a Division submits a Requisition to fill a position, Human Resources will determine if there are currently OPS or part-time employees working in a like position in that Division.

B. If there are current OPS or part-time employees employed in a like position, Human Resources should only post the vacant position internally to allow OPS or part-time employees to express their interest in the opening.

C. OPS or part-time employees interested in the position should be given consideration before proceeding with outside applicants. Exceptions to posting a job opening internally first will require approval from the Director of Human Resources.

D. If the position is not filled with a County employee, the Division Director will advise the Human Resources Division in order for the position opening to be posted externally.

3.07 Emergency Appointment

When an emergency makes it impossible to fill a regular position utilizing normal procedures, the hiring authority may request the appointment of any qualified person to such position. Such a request will be submitted to the Human Resources Director with justification for the appointment. Upon approval by the County Administrator, the appointment will be made.
