

Trinity Second Grade SUMMER READING 2011

FOR STUDENTS ENTERING SECOND GRADE:

We would like to suggest a list of authors and titles that would be appropriate for beginning second graders. As you know, each child's reading levels develop at different rates. Please encourage your child to read this summer by choosing appropriate reading material and read as much as possible together. Remember, children of all ages enjoy being read to each night. Parental reading encourages love of reading, vocabulary growth, and creates a special child/parent bond.

We hope you have a great summer reading and spending time together as a family. We look forward to seeing you in August.
