Foreword

Mission Statement

The mission of the Minority, Women, and Small Business Enterprise Program (MWSBE) is to provide minority, women, and small owned businesses with a means of participating in Leon County's procurement process for the purpose of achieving economic parity among all Leon County Vendors.

Purpose and Intent

The purpose of the Minority, Women and Small Business Enterprise (MWSBE) Program is to effectively communicate Leon County procurement and contracting opportunities, through enhanced business relationships, to end disparity and to increase participation opportunities for certified minority, women and small business enterprises in a competitive environment. The scope of this program shall include:

1. Identify and work to eliminate barriers that inhibit MWSBE participation in Leon County's procurement process.
2. Establish realistic goals to increase MWSBE utilization.
3. Provide information and assistance to MWSBE's regarding procurement opportunities with Leon County.
4. Implement mechanisms and procedures for monitoring MWSBE compliance by prime contractors and staff.
5. Implement mechanisms to evaluate the program's progress.

The purpose of this MWSBE Directory is to assist Leon County departments and divisions in their efforts to identify minority, women, and small businesses. This directory is also intended to serve as a reference source for other agencies and firms interested in the acquisition of MWSBE products and services.

The MWSBE's listed in this directory are certified by Leon County Board of County Commissioners, City of Tallahassee, and Leon County School Board. For additional assistance, contact the MWSBE Division at (850)606-1650 or our website: www.leoncountyfl.gov/mbe.
