The cover of the FY 2002/2003 through FY 2006/2007 Capital Improvement Program depicts a night scene of the Florida State Capital, as viewed from the Leon County Courthouse. The picture also captures a magnificent view of the World War II Memorial, located on the Courthouse grounds. The Board of County Commissioners, local veterans and other members of the community dedicated the World War II Memorial on November 11, 2001. The actual memorial was funded completely through private donations.

Cover design, graphics, and pictures by Jeff Porter, an employee with The Board of County Commissioners.
