

Lake Lafayette Basin CIPs

Map ID	Project Name	Project Description	Project #	Status	Map Grid	Jurisdiction	Estimated Cost	Funded to Date
5	Avondale Pond Retrofit	Treatment pond upgrade.		COMPLETE	N33	COUNTY	\$25,000	\$0
7	Betton (Cline-Chamberlin) Stormwater Improvements	This project consists of improvements to McCord, Trescott and Laguna Ponds, improvements to the ditch between Cline St. and Centerville Rd., and a bridge at Chamberlin St.	Project No. 9	COMPLETE	M29	CITY	\$3,694,569	\$3,694,569
9	Bradfordville Pond 4 Outfall Stabilization	Former Lauder Pond. Sealing of minor cracking to fully contain the treated stormwater. Possible lining of outfall pipe system to control leakage into the pipe system.	064005	OPEN	G31	COUNTY	\$175,000	\$175,000
10	Bradfordville Pond 6 Rehabilitation	Pond serves the Target store. Face of concrete retaining wall will be inspected and sealed to prevent seepage of treated stormwater from the facility.	064004	OPEN	G31	COUNTY	\$50,000	\$50,000
11	Bradfordville Road Culvert	Provide replacement of the two existing 24" culverts east of Velda Dairy Road under Bradfordville Road with larger box culverts sized to better convey water.	054002	COMPLETE	G32	COUNTY	\$449,999	\$449,999
21	Connie Drive Flooding	Project is designed to minimize flood hazards along Connie Drive on the south side of Paradise Village East and also in Greenwood Park subdivision by improving drainage conveyance where needed, while providing attenuation to mitigate for offsite impacts.		OPEN	P31	CITY	\$4,275,000	\$4,275,000
31	Forest Drive Stormwater Management Plan	This project entails a stormwater system and easements to convey runoff from west of Meridian and north of South Ride to the east side of Thomasville Rd. Stormwater treatment facilities may be required.	Project No.	COMPLETE	M28	CITY	\$95,928	\$95,928
45	Killearn Acres Flood Mitigation	Improve drainage facilities with the Killearn Acres subdivision downstream of Lake Saratoga to the Killearn Chain of Lakes, improve drainage facilities upstream of Lake Saratoga.	064001	OPEN	H32	COUNTY	\$2,556,461	\$2,556,461
49	Killearey and Kinsail Culvert Outfalls	This joint city-county project entails construction of larger culverts at Shannon Lakes West and Shannon Lakes East Drives, and Centerville Road. Provides flood relief to 42 households.	Project No. 9	COMPLETE	I31	CITY	\$2,307,088	\$2,307,088
51	Lafayette Oaks Tri-Basin	Flood analysis and mitigation recommendations.		COMPLETE	L33	COUNTY	\$2,865,000	\$2,865,000
55	Lake Ella Aquatic Management	This project will replace malfunctioning instrumentation which is part of the alum injection system that treats stormwater in Lake Ella.	Project No. 9	COMPLETE	N27	CITY	\$45,552	\$45,552
56	Lake Ella Sediment Removal	Sediments which had accumulated at the bottom of Lake Ella were re-distributed to eliminate sediment mounting mainly near stormwater outfalls.		COMPLETE	N27	CITY	\$46,092	\$46,092
58	Lake Heritage Outfall	Replace the lake outfall structure to direct discharge into the main channel rather than through the emergency flow way.	067002	OPEN	Q36	COUNTY	\$250,000	\$250,000
60	Lake Lafayette Study	Basin study of water quality conditions affecting lake habitat		OPEN	P35	COUNTY	\$149,026	\$149,026
64	Lakes Carolyn and Anna Restoration	In-lake sediment removal and outfall stabilization.		OPEN	G32	COUNTY	\$550,000	\$550,000
77	Micosukee Pines	Treatment pond upgrade.		OPEN	M31	COUNTY	\$50,000	\$0
83	Northeast Ditch at Lonbladh Rd Drainage Improvements	Design and construction of structural improvements to address the frequent stormwater overtopping of Lonbladh Road, including replacement of culverts under the roadway and downstream ditch improvements.		OPEN	L30	CITY	\$1,500,000	\$1,500,000
84	Northeast Drainage Ditch Stormwater Study	A comprehensive stormwater management study is needed to develop solutions to existing flooding problems along the Northeast Ditch drainage corridor.	Project No. 9	COMPLETE	L30	CITY	\$2,760,000	\$2,760,000
90	Park Ave. Tributary #1 SW Improvements	This project provides funding to evaluate the potential to reduce the flooding of properties along Park Avenue Tributary #1 including those near Tina Drive (10 properties) and Windrush Apartments. Additionally, this project will evaluate options that address the severe erosion of properties abutting the ditch in the vicinity of Albritton Drive. Land acquisition and construction will be required to address the flooding and erosion.		OPEN	P30	CITY	\$2,400,000	\$2,400,000
94	Pickett Court Area SW Improvements	This project provides funding to evaluate the potential for reducing flooding in the vicinity of Pickett Court west of Sutor Road. During Tropical Storm Allison (June 2001), four homes were flooded, and nine homes had severe yard flooding.		OPEN	P31	CITY	\$1,000,000	\$1,000,000
100	Sedgefield Bypass Channel	Channel stabilization.		OPEN	M33	COUNTY	\$75,000	\$0
103	SPI Canter Court Drainage Improvements	The purpose of the project to build storm drainage infrastructure along Canter Court to minimize runoff running through the people's yard.		COMPLETE	N30	CITY	\$20,000	\$20,000
104	SPI Charles Court Drainage Improvement	The purpose of this project is to minimize the flooding on Charles Ct by constructing a berm on a property on Plantation Road.		COMPLETE	M28	CITY	\$350,000	\$350,000
108	SPI Whisper Court/Dundee Drive Drainage Improvements	The purpose of this project is to minimize the flooding on 3005 Whisper Court due to insufficient drainage system in the subdivision.		COMPLETE	K30	CITY	\$20,000	\$20,000
109	St. Peters Subdivision-HUD	Purchase of one household. Funded by HUD.	Project No. 9	COMPLETE	L30	CITY	\$86,224	\$86,224
110	Tallahassee Little Theater	Enlarging of Drainage pipes along Mitchell Ave. Reduced flooding for five homes and in Winthrop Park.	Project No. 9	COMPLETE	M28	CITY	\$159,211	\$159,211
114	Valley Road Drainage Improvements	The purpose of this project is to alleviate flooding of roadways, businesses and residences, increase public safety and improve water quality in the Valley Drive area. Deficiencies in the existing roadway drainage systems caused street flooding on three roadways and two alleys, and yard and/or house flooding at twenty residences.		COMPLETE	O29	CITY	\$870,865	\$870,865
