## Leon County/City of Tallahassee Watershed Management Policy Board Meets

**WHO:** City/County Watershed Management Policy Board  
**WHAT:** Meeting  
**WHEN:** Thursday, March 16, from 8 a.m. to 11 a.m.  
**WHERE:** Community Room at Leon County Health and Human Services Division Offices, 918 Railroad Ave.

For more information, please contact Benjamin Pingree at 606-5300.

*The board is created under an interlocal agreement between the city and county and includes five members, specified by title: a County Commissioner, Commissioner Cliff Thaell, a City Commissioner, Commissioner Debbie Lightsey, a County Science Advisory Committee member, a science academic from FSU or FAMU, and a citizen with knowledge of stormwater issues. In addition, the board has technical support staff assistance from city and county governments, the Northwest Florida Water Management District, the Florida Department of Environmental Protection and the Florida Lakes Management Society.*
