### **Organization of Funds**

#### **Basis of Budget**

Leon County's Governmental and Fiduciary Funds are prepared on a modified accrual basis.

Revenues are recognized when measurable and available under budgetary basis. The following revenues are considered to be susceptible to accrual: taxes, charges for services, interest, state revenue sharing, federal forestry revenue, insurance agent revenues, 5<sup>th</sup> & 6<sup>th</sup> cent gas tax, federal and state grants, planning and zoning revenue, communication services tax, and special assessments.

Obligations are budgeted as expenses and generally recorded when the related fund liability is incurred. An exception is principal and interest on general long-term debt which is recorded when due.

The budgets of the proprietary funds (enterprise and internal service) are prepared on an accrual basis. The revenues are recognized when earned and their expenses are recognized when incurred.

Florida state law requires that receipts from all sources be budgeted at 95% of anticipated receipts.

#### **Funds**

The financial activities of the County are recorded in separate funds. Each fund is considered a separate accounting entity. The operations of each fund are accounted for within a set of self-balancing accounts that include assets, liabilities, fund equity, revenues, and expenditures, or expenses, as necessary. An account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

The various funds are as follows:

### **Governmental Fund Types**

General Fund – The general operating fund of the Board. This fund is used to account for all financial transactions not required to be accounted for in another fund.

Special Revenue Funds – Funds used to account for special assessments and specific governmental revenue sources. Major capital projects that are restricted by law, or administrative action, for expenditures for specific purposes are not considered Special Revenue Funds. Examples of Special Revenue Funds are Building Inspection, Transportation Trust, Emergency Medical Services, Fire Rescue Services, Tourist Development, and Probation Services.

Debt Service Funds – Funds used to record the funding and payment of principal and interest on debt reported in the General Long-Term Debt Account Group.

Capital Projects Funds – These funds are used to account for the acquisition or construction of major capital facilities other than those financed by the Proprietary Funds. Examples of Capital Projects Funds are the Local Option Sales Tax and Governmental Capital.

#### **Proprietary Fund Types**

Enterprise Fund – A fund used to report operations that provide services financed primarily by user charges. An example of an enterprise fund is the Solid Waste Operations Fund.

Internal Service Funds – A fund used to to account for goods or services provided by various departments to other departments of the Board on a cost-reimbursement basis. These funds consist of the Motor Pool Fund, the Communication Trust Fund, and the Insurance Service Fund.

### **General Fund (001)**

Fund Type: General Fund

The General Fund is the general operating fund of the County established by F.S. 129.02(1). Major revenue sources for the County's General Fund include proceeds from ad valorem and other taxes, charges for services, fees, and other miscellaneous revenues. The General Fund is used to account for financial resources and expenditures of general government (except those required to be accounted for in another fund)

such as libraries, management information systems, facilities management, etc.

#### Notes:

The Leon County budget is balanced without increasing the current 8.3144 millage rate. For FY 2022 property values increased by 4.05%, providing an additional \$6.01 million in property tax revenue. The property tax growth rate declined from the previous year when property values increased by 6.78%. The lower growth in property valuations is related to a decline in vacant commercial properties (an effect of COVID), and a Save-Our-Homes valuation cap of 1.4% compared to 2.3% last year. Property taxes growth was offset by increases in personnel cost for retirement and health care budgeted at 6.0%, the lifting of the hiring freeze, the restoration of the travel freeze to 75% of FY 2020 budget, and increased support for Emergency Medical Services (EMS) to avoid an increase to the EMS MSTU millage rate, which was maintained at 0.5 mills (see fund 135).

In FY 2022, as part of the federal government's economic support to assist state and local governments, Leon County received \$57.02 million in American Rescue Plan Act (ARPA) funding, which encouraged local governments to use a portion on revenue loss recovery. For FY 2022, the Leon County revenue loss is calculated at \$6.4 million. Of the \$6.4 million, \$2.8 million of the ARPA funding is used to support general government services.

In addition, \$3.6 million in ARPA loss revenue recovery funding was allocated in FY 2022 to support the capital program. As a result, the total general fund transfer to the capital fund (Fund 305) is \$5.0 million (\$3.6 million coming from the general fund and \$1.4 million from the Municipal Services Fund). This is a slight decrease from the \$5.12 million general revenue transferred in FY 2021. If ARPA funds were not available some capital projects would have been reduced and/or eliminated.

With the use of ARPA revenue loss replacement, the FY 2022 Adopted Budget reduces the use of general fund balance from \$1.84 million to \$800,000, or \$1.04, million, the lowest level since FY 2010. An additional \$2,753,754 in ARPA revenue replacement is programmed for FY 2023. Outyears reflect maintaining the millage rate at the existing 8.3144, and increased property values providing the necessary revenue growth to fund increases in operational expenses.

### **Supervisor of Elections (060)**

Fund Type: General Fund

The Supervisor of Elections Fund is a general fund established as part of the FY 2002 budget process. The Supervisor of Elections requested their appropriation be established in a separate fund to provide discrete accounting of their budget. The revenue is transferred from the General Fund. At the conclusion of the fiscal year, any funds available in the Supervisor of Elections fund are returned to the General Fund as excess fees.

#### Notes:

The Supervisor of Elections budget varies year to year depending on the election cycles. Funding for the Supervisor of Elections increases for Presidential Primary elections cycles and decreases in off year election cycles. While this in a non-presidential preference election cycle, this is a census redistricting year with related cost increases in implementing voting redistricting requirements such as a countywide mail out and new voter ID cards. In addition, there are some residual costs associated with the pandemic and new voting legislation passed during the 2021 legislative session. These changes include: increased mail ballots requests; the required staffing of drop-off ballot box locations; and voter education costs associated with recent legislative changes regarding vote-by-mail ballots.

### **Transportation Trust (106)**

Fund Type: Special Revenue

The Transportation Trust Fund is a special revenue fund established by F.S. 129.02(2). Major revenue sources for the Transportation Trust Fund include proceeds from local and state gas taxes. Leon County imposes a total of twelve cents in gas taxes. The County Ninth-Cent, Local Option and Second Local Option are local county taxes. Of those, the Local Option and Second Local Option revenues are split 50/50 with the City of Tallahassee. The 20% Surplus, 5th & 6th Cent and Gas Tax Pour-Over Trust are State gas tax revenues. The fund is used to account for resources dedicated and expenditures restricted to the maintenance/construction of roads and bridges.

#### Notes:

Gasoline taxes are estimated to decrease by 10.9% or \$1.345 million. Prior to COVID, gas taxes, which are consumption based (taxes are per gallon, not a percentage of cost), were only slightly increasing year-over-year due to better vehicle fuel efficiencies and an increase in the use of electric vehicles. Stay-at-home orders and their effect on commuting dramatically affected gas tax collections. Even with the phased economic reopening, gas taxes have not rebounded, indicating that telecommuting and changed driving habits are still impacting fuel consumption.

When originally approved for collection beginning January 2014, the second local option gas tax was split 50/50 for sidewalk projects and general transportation maintenance. In FY 2019, this gas tax was approved for reallocation to stormwater projects for two years (FY 2020 and FY 2021) to fix chronic flooding problems on county roads. However, in the FY 2021 budget, due to the Coronavirus and subsequent budget balancing strategies for FY 2021, sidewalk funding was suspended, and transportation and stormwater funding were reduced with sidewalk funding being budgeted solely from Sales Tax Extension (352) funds.

In FY 2021, Leon County received \$57.02 million in American Rescue Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. As part of the FY 2022 budget process, the Board allocated \$2.7 million in revenue loss recovery funding to the Transportation Capital Fund in the current fiscal year for critical road/flood projects delayed because of the pandemic including Baum Road, Ben Boulevard, Miccosukee Road Bridge Replacement and Maylor Road.

For FY 2022, with the use of the ARPA funding in the current fiscal year, the transfer to the Transportation Capital fund decreased from \$3.39 million in FY 2021 to \$2.01 million for the FY 2022 Adopted Budget. Additionally, the second local option gas tax returned to being split 50/50 between sidewalks and transportation maintenance with \$1.29 million allocated for each.

### Fine and Forfeiture (110)

Fund Type: Special Revenue

The Fine and Forfeiture Fund is a special revenue fund established by F.S. 129.02(3) and F.S. 142.01. Major revenue sources for the County Fine and Forfeiture Fund include proceeds from ad valorem taxes and other miscellaneous revenues. The fund is used to account for revenues collected in support of and expenditures dedicated to criminal prosecution, court operations, and operations of the Sheriff's Planned Actual Adopted Requested Budget Planned Planned Planned Department. Fiscal Year 2022 Budget By Fund

4.845.471

#### Notes:

The County maintained the county-wide millage rate of 8.3144 for FY 2022. Additional information regarding this levy for recurring operating expenditures is located on the general fund page (Fund 001).

The largest expenditure appropriations in this fund are the Sheriff Law Enforcement and Detention budgets. The overall increase to the Sheriff's budget is 5.74% or \$4.66 million. In addition to normal personnel costs increases, the budget includes the addition of 10 new positions: three Deputies for a mental health unit, two Correctional Officers, two Community Relations Specialists, one Crime Scene Specialist, one Digital Forensic Examiner, and one Crime Analyst. The addition of these positions will assist the Sheriff in the continuation of his "ALLin Leon Campaign" to reduce crime rates in the County. The Sheriff's budget request also includes the implementation of three mental health crisis teams. These teams will allow a trained deputy to pair with contracted mental health professionals when responding to calls where mental health may need to be assessed. The contract for mental health professionals is funded through a 2021 legislative appropriation.

Other budget increases include personnel costs related to the Consolidated Dispatch Agency (CDA), of which the County pays 34% per the interlocal CDA agreement, and the County's statutory required payment to the State Department of Juvenile Justice.

### **Probation Services (111)**

Fund Type: Special Revenue

The Probation Services Fund is a special revenue fund established in support of the administration of County Probation programs. Major revenue sources for the Probation Services Fund include fees related to pre-trial costs, other probation related services, and a transfer from the General Fund. The fund is used to account for resources and expenditures related to the alternative Community Service Work Program, the Pre-trial Release Program, urinalysis testing fees and other County Probation programs and services.

#### Notes:

This fund continues to see a decline in fee revenue and a greater reliance on general revenue to support the required services. For FY 2022, the budget includes a \$3.24 million general revenue subsidy to the Probation Services fund.

The revenue also includes additional resources provided by the Sheriff in the amount of \$100,000 available from the Inmate Trust Fund. This funding assists in offsetting the cost of the GPS Monitoring Program, which saw a contractual increase of \$196,849 in FY 2022, due to the number of clients assigned by the Courts to pre-trial monitoring. The general revenue subsidy is anticipated to increase to \$3.6 million by FY 2026 due to a continuing decline in program revenues and the depletion of accumulated fund balance in FY 2021.

### Teen Court (114)

Fund Type: Special Revenue

Effective July 1, 2005, the Board of County Commissioners authorized a \$3 fee be imposed for certain Court proceedings; the revenue will be used to support the Teen Court program.

Fund Type: Special Revenue

On June 8th, 2004, the Board of County Commissioners authorized the imposition of a \$65.00 criminal violation court costs. In accordance with Florida Statutes and the enabling County Ordinance, the proceeds from the \$65.00 fine are to be used as follows: 25% to supplement State funding requirements related to the implementation of a Statewide court system or to pay for local requirements; 25% to be used to fund legal aid programs; 25% to be used to fund law library personnel and materials; and 25% to be used to fund alternative juvenile programs. At the end of the fiscal year, any fund balance remaining shall be utilized in subsequent fiscal years for the funding of either the State or local requirements.

#### Notes:

Increased expenditures allocated to court required programs are necessitating the use of accumulated fund balance to support these programs. The current use of fund balance is within policy limits. However, the out years show only nominal increases in revenue and a continued use of fund balance to support programs. A reduction in programs may need to be considered if revenues do not increase to support these discrete programs.

### **Building Inspection (120)**

Fund Type: Special Revenue

The Building Inspection Fund is a special revenue fund established to account for fees collected on building permits issued within the unincorporated area of Leon County. The fees are used to fund the operation of the Building Plans Review and Inspection Division.

#### Notes:

For FY 2022, revenues reflect an increase from FY 2021 based on a rebounding economy in the commercial and housing construction fueled by a low interest rate environment enacted by the Federal Reserve to combat the impacts of the COVID-19 pandemic on the economy. Out-years reflect a continued growth in revenues. In FY 2022, \$289,589 in fund balance is budgeted to support program expenditures including \$37,500 for a vehicle for a new Building Inspector position needed to maintain inspection time frames. Out years reflect a decrease in use of fund balance as permit revenue is expected to increase more than expenditures during this period.

### **Development Support & Environ. Mgmt. Fund (121)**

The Development Support and Environmental Management Fund is a special revenue fund established to account for the activities related to Development Support and Environmental Management in accordance with the City of Tallahassee/Leon County Comprehensive Plan. The fund is supported by both permitting fees and general revenue. The functions supported by this Fund include Development Services, Environmental Services, Code Compliance Services, Support Services, and Customer Engagement Services.

#### Notes:

In FY 2022, permit fee revenue is estimated to increase over FY 2021 due to an increase in site development applications. This increase is due to a low interest rate environment established by the Federal Reserve as a tool to ameliorate the affects of COVID on the economy. The increase in site development/permitting revenue has allowed for a decrease in the general revenue transfer by \$540,416 or 24.4%. The out-years reflect general fund support increasing incrementally to meet service demands and is anticipated to increase up to \$2.4 million in FY 2026, which is lower than the FY 2020 actual.

### Stormwater Utility (123)

Fund Type: Special Revenue

The Stormwater Utility Fund is a special revenue fund established in support of the administration of the unincorporated areas Stormwater Maintenance, Engineering, Facility Improvements, and Water Quality Monitoring programs. Major revenue sources for the Stormwater Utility Fund include: the non ad valorem assessment for stormwater utility and non-restricted revenues (i.e. local half-cent sales, State revenue sharing, etc.).

#### Notes:

In FY 2014, the County implemented the first increase to the stormwater non ad valorem assessment in 23 years from \$20 to \$85 for each single-family equivalent unit. This allowed for the general revenue subsidy to decrease by \$2.5 million. As specified in the adopted ordinance, the current general revenue subsidy covers the cost of the fee discount for low-income seniors, disabled veterans and properties that receive a stormwater credit discount. The remaining general revenue transfer covers the operating deficit in the program. The transfer of \$800,000 from the Transportation Trust fund provides funding for stormwater maintenance activity related to roadways.

The increase in general revenue support in FY 2022 is related to no growth in the non-ad valorem fee due to the issuance of more stormwater credit discounts and increases in program expenditures. These expenses include the lifting of the hiring freeze instituted as an FY 2021 budget balance strategy to mitigate the financial impacts of COVID and increasing the living wage to \$14/hour.

### SHIP Trust (124)

Fund Type: Special Revenue

The State Housing Initiatives Partnership (SHIP) Trust Fund is a special revenue fund established in accordance with F.S. 420.9075(5) to account for the distribution of State funds to local housing programs. Expenditures are limited to the administration and implementation of local housing programs.

### **Grants (125)**

Fund Type: Special Revenue

The Grants Fund is a special revenue fund established to account for grants that are consistently received on an annual basis. The fund also accounts for other restricted revenues such as Friends of the Library and the Driver Education funding. As new grants are received during the fiscal year, appropriate action is taken by the Board of County Commissioners to realize these additional grant proceeds into the budget. This fund includes the corresponding County matching funds for the various grants.

#### Notes:

Grant program expenditures for Emergency Management and Storage Tank Program are greater than the grant allocations, which require increasing the general revenue transfer to maintain program service levels.

As allowed by the Dori Slosberg Driver Education Safety Act, the Board amended the Leon County Code of Laws related to civil traffic penalties at the January 28, 2020 meeting and increased the civil traffic penalty from \$3 to \$5 to support high school driver education programs. Additional funding was to support Leon County Schools' Drivers Education Program. However, the onset of COVID and the issuance of stay-at-home orders caused a reduction in the number of traffic citations, and a decline in program revenue.

### **Non-Countywide General Revenue (126)**

Fund Type: Special Revenue

The Non County wide General Revenue Fund is a special revenue fund originally established as part of the FY 2002 budget process. Prior to FY 2002, the 1/2 Cent Sales Tax, State Revenue Sharing, and other unrestricted resources were directly budgeted into the specific funds they supported. Beginning in FY 2002, the revenues were brought into this fund and budgetary transfers were established to the funds supported by these revenues. This approach allows for the entire revenue to be shown in one place and all funds being supported to be similarly reflected. These revenues are not deposited directly into the General Fund in order to discretely show support for activities not eligible for Countywide property tax revenue.

#### Notes:

The State Shared and ½ Cent Sales Tax revenues are estimated to generate an additional \$4.4 million from the FY 2021 budget. While these sales tax related revenues have rebounded from the precipitous decline in FY 2020, the forecasts are still slightly below FY 2019 pre-COVID collections. Out-years reflect revenue increasing with the continued recovery from the COVID recession.

These increases are offset by a persistent decline in the Communication Services Tax (CST) statewide. The CST has been in decline the past five years. This is due to a decline in cable services as consumers "cord cut" in favor of streaming, and certain demographics and small businesses abandoning telephone landlines.

### **Grants - Interest Bearing (127)**

Fund Type: Special Revenue

This fund was established independently of the reimbursement grant fund (Fund 125) in order to post interest to grants as may be required by the grant contract and/or special endowment.

### 9-1-1 Emergency Communications (130)

Fund Type: Special Revenue

The 9-1-1 Emergency Communications Fund is a special revenue fund established in accordance with the Florida Emergency Telephone Act F.S. 365.171. Major revenue sources of the 9-1-1 Emergency Communications Fund include proceeds from the wireless Enhanced 9-1-1 fee (50 cents/month per service subscriber) pursuant to F.S. 365.172 - 365.173 and the 9-1-1 fee (50 cents/month per service line) pursuant to F.S. 365.171(13). The fund is used to account for resources and expenditures associated with 9-1-1 emergency services within Leon County.

#### Notes:

There is a decrease in revenue for this fund. Overall, fees collected from landlines are anticipated to decrease until a base level of landlines is reached as consumers continue to switch from landlines to wireless devices. Out-years show this trend stabilizing.

### **Radio Communication Systems (131)**

In accordance with F.S. 318.21(10) \$12.50 from each moving traffic violation shall be distributed and paid monthly via the Clerk of Court's fine distribution system. The fund is used to account for resources and expenditures associated with Leon County's participation in an intergovernmental radio communications programs that have been previously approved by the State of Florida, Department of Management Services. This program for Leon County is the 800 MHZ radio system.

#### Notes:

Property valuations increased 4.05% for the FY 2022 budget. However, this valuation growth was less than the 6.78% in FY 2021. During the FY 2020 budget process, the Board adopted a multi-year fiscal plan that allocated \$4.1 million in debt services savings to avoid future tax and fee increases. The plan for the EMS Fund included a general fund transfer of \$2.0 million a year beginning in FY 2021. However, the fund did not need the entire \$2.0 million transfer due to increased Medicaid funding provided through the Agency for Health Care Administration. To balance the fund, \$792,616 in general revenue was transferred to the EMS fund.

In FY 2022 the transfer from the general fund increased to \$1.14 million. The required transfer would have been \$2.0 million, however, the Medicaid Managed Care grant program provided an additional \$927,614 in Medicaid funding. To balance the fund \$127,009 in fund balance is appropriated. This appropriation of fund balance still leaves the remaining reserves within the reserve policy limits.

To recruit, retain and properly staff weekend and night shifts with EMTs and paramedics, an additional \$276,952 has been added to the EMS personnel budget to provide additional shift differential pay during weekend and night shifts. EMTs and paramedics who work nights and weekends would receive a \$2/hour and/or \$2.50/hour shift differential pay, respectively. This funding is available through existing resources in the EMS special revenue fund. The funding is available due to an increase in Medicaid payments related to ambulance transport services and does not affect general revenue. Budgeting this differential pay allows the County to be competitive with area hospitals who offer similar differential pay and are actively recruiting EMS personnel.

Also, two EMS Supply Technicians were added to provide adequate 24/7 support for the ambulance fleet and reduce the reliance on EMTs for backup coverage.

For the out years, funding is allocated in FY 2024 for an additional crew, ambulance, vehicles, and equipment as needed to meet service demands.

### **Municipal Services (140)**

Fund Type: Special Revenue

The Municipal Services Fund is a special revenue fund established in support of various municipal services provided in the unincorporated area of Leon County. These services include: parks and recreation, and animal control. The major revenue sources for the Municipal Services Fund are transfers from the Non-Restricted Revenue Fund (i.e. State revenue sharing, the local cent sales tax, etc.) and the Public Services Tax.

#### Notes:

For FY 2022, Public Services Tax (PST) revenues are projected to increase by \$425,826 or 4.8%. With more residents at home using utilities, the PST was not affected by COVID stay-at-home orders like other sources of revenue such as gas taxes and tourism taxes.

The transfer to Fund 305 (the Capital Improvement Fund) was reduced by \$232,189 from the previous fiscal year (\$1.62 million in FY 2021 to \$1.39 million in FY 2022). This is part of the total \$5.0 million general revenue transfer to the capital fund. The remaining transfer is from the General Fund.

The \$500,000 transfer of revenue from the Sales Tax Extension Joint Project Agreement Fund (Fund 352) assists in funding the maintenance of parks constructed with previous local infrastructure sales tax dollars. This is a level transfer that will occur until 2039.

Increased costs to the fund are primarily related to adding three positions to the Parks and Recreation budget. These positions include a two-person Park and Recreation Crew and a Park Attendant and their required vehicles and equipment. These positions are recommended to maintain adequate service levels related to the increased park acreage, dog parks and the opening of the Apalachee Regional Park Cross Country Course Pavilion. The Park Crew was deferred from the previous fiscal year due to the financial impact of COVID.

### Fire Rescue Services (145)

Fund Type: Special Revenue

The Fire Services Fund is a special revenue fund established in FY 2010 as a method to fund enhanced fire protection services in the unincorporated area of Leon County. This included adding another fire fighter at unincorporated area fire stations. The funding is derived from a fire service fee levied on single family, commercial and governmental properties in the unincorporated area of the County. Homes are charged a flat rate, and commercial and governmental properties pay per square foot. Square footage associated with the worship area of a church is excluded from the fee. In addition, the County provides support to the Volunteer Fire Departments.

#### Notes:

With the implementation of the fire service fee the City initially billed all affected properties in the unincorporated area. In FY 2010, the Board approved placing this assessment on the tax bill for property owners who did not pay the fee via the established billing system. As reflected above direct billing by the City of Tallahassee is the primary source for the collection for this fee, but non-ad valorem assessment collections continue to increase as property owners become delinquent in their payments or choose to have their fee placed on the tax bill. At the May 12, 2015 meeting, the Board approved implementing the current fire service fee rates as recommended in an updated rate study.

As part of the adopted FY 2020 long-term fiscal plan, rather than increasing fire service rescue fees, debt service savings were planned to pay for the increased cost of fire rescue services. Due to the budgetary impacts of COVID, the City and County deferred a fire rescue service fee study and increasing fees in FY 2021.

As part of the FY 2022 budget process, the Board authorized the County Administrator to negotiate an amendment to the current County/City Fire Services Interlocal Agreement. The amendment authorizes increased payments to the City for fire services in FY 2022 and FY 2023. The increased payments are funded from general revenue debt service savings: \$1.4 million in FY 2022 and \$1.6 million in FY 2023. This approach allows fire service rescue fees charged to unincorporated residents to remain unchanged. In addition, the Amended Interlocal Agreement requires a new joint fire rescue services fee study to be conducted no later than FY 2023 to determine appropriate funding and/or rate charges after FY 2023.

### **Tourism Development (160)**

Fund Type: Special Revenue

The Tourist Development Fund is a special revenue fund established as the repository for the collection of the 5% Local Option Tourist Development Tax on transient lodging sales in Leon County (bed tax). The Tourist Development Council administers the expenditure of these revenues, as limited by law, to tourist development initiatives. Annual reserves for contingencies are supported by available fund balance.

This amount will be determined on an annual basis as part of the budget process.

### Notes:

The fiscal impact of COVID on Tourism was significant. Tourist Development Tax (TDT) revenue declined by 33% in FY 2020 after the onset of COVID restrictions in April 2020. FY 2021 collections estimate are forecasted to be 23% below FY 2020 collections. With the removal of stay-at-home orders and the availability of vaccines, TDT collection began increasing in March 2021. Based on current activity the TDT forecast shows TDT revenue increasing by 16%. At the June 8, 2021 meeting, the Board allocated \$750,000 in American Rescue Plan Act (ARPA) revenue loss replacement funding to Tourism for marketing and advertising activities.

With revenues recovering from the impacts of COVID on travel, expenditure increases reflect a restoration of many of the budget reductions made in marketing and advertising in FY 2020 and FY 2021 due to a decline in bed-tax revenues. The budget reflects marketing and advertising increases, and additional funding for Signature Event and Legacy Event grants. Fund balance in the amount of \$172,657 is appropriated to support expenditures including a capital transfer of \$250,000 for the completion of the Phase II Apalachee Regional Park Master Plan.

# **County Accepted Roadways and Drainage Systems Program (162)**

Fund Type: Special Revenue

The County Accepted Roadways and Drainage Systems Program (CARDS) Fund is a special revenue fund established to account for the repayment of special assessments associated with the County's CARDS program (formerly the 2/3 2/3's paving program). The revenue received into this fund is collected as a non ad valorem special assessment on the annual tax bill. These revenues are repaying the County for loans utilized to construct special assessment paving projects. The revenues are transferred annually to the General Fund (001).

This fund continues to see a decline in revenue as previous special assessments are paid in full and the lack of new assessments being levied in recent years due to a decline in projects.

# Special Assessment - Killearn Lakes Units I and II Sewer (164)

Fund Type: Special Revenue

This Special Assessment Fund was established to account for revenues and expenditures associated with the special assessment levied on property owners in Killearn Lakes Units I and II to pay for the costs associated with maintaining the new City of Tallahassee sewer service distribution system completed in October 2006. The assessment is collected and remitted to the City of Tallahassee in accordance with an interlocal agreement with the City of Tallahassee. The charge levied to each parcel within Units I and II is \$179.43.

# **County Government Annex (165)**

Fund Type: Special Revenue

On June 26, 2003, the Board of County Commissioners purchased the County Government Annex on Calhoun Street. The operating fund will be used to facilitate and account for the ongoing operations of this building. Revenues associated with this fund are primarily generated by leases associated with the tenants of the building. Expenses associated with this fund are comprised of necessities required in the upkeep, maintenance, and management of the facility.

#### Notes:

Funding is allocated for general building maintenance and repairs including renovations, mechanical and electrical upgrades and safety improvements at the Leon County Courthouse Annex. Specific project details are located in the Capital Improvements Project Section. In addition, FY 2022 and out-year transfers reflect utility payments to the General Fund (001).

The decline in lease revenue is due to the programmed expiration of leases, which may or may not be extended or renegotiated. Revenue is only contemplated when a lease is active. The out-years reflect the use of accumulated fund balance to support expenditures.

# **Huntington Oaks Plaza (166)**

Fund Type: Special Revenue

This fund was established to account for the maintenance of the Huntington Oaks Plaza purchased by the County in FY 2010 for the expansion of the Lake Jackson store front library and the construction of a community center. Revenue from this fund is derived from lease payments from space rentals and are used for maintaining the property.

# Bond Series 2012A & 2012B (211)

Fund Type: Debt Service

The Bond Series 2012A & 2012B Fund is a debt service fund established to account for the debt service associated with the Capital Improvement Revenue Bonds Series 2012A (Tax Exempt) and 2012B (Taxable). These bonds were issued to fund the acquisition of the Bank of America building and for major repairs and renovations to the existing County Courthouse facility. (This fund was changed from Bond Series 2003A & 2003B due to refinancing of the Bond with a bank loan in 2012).

#### Notes:

At the April 26, 2017 workshop, the Board approved the refinancing of a FY 2014 bank loan which saved \$489,075 over the life of the loan. The increased payment in FY 2022 reflects the planned increase principle payments on the loan as part of level debt service and the retirement of debt as reflected in Fund 211.

# **Bond Series 2020-Capital Equipment Financing (223)**

The Bond Series 2020 Fund is a debt service fund established to account for the debt service associated with the financing of the purchase of a new helicopter for the Sheriff's office.

#### Notes:

The Bond Series 2020 Capital Equipment Financing Fund was established in FY 2020 to pay the debt service payment for a new Sheriff helicopter over a six-year term. Funding for the repayment of the debt service is split evenly between the County and the City of Tallahassee. The County bills the City for their half of the debt service payment.

# **Supervisor of Elections Building (224)**

The Bond Series 2021 Fund is a debt service fund for the Supervisor of Elections Voting Operations Center Building. The purchase and building improvements was made from loan proceeds to be paid back over 15 years. The repayment of the loan is established in a debt service fund beginning in FY 2022 to coincide with the first debt service payment due on December 1, 2021.

The Bond Series 2021 Supervisor of Elections Building Fund was established during the FY 2022 budget to account for the debt service payment for the purchase and renovations of the Supervisor or Elections' Voter Operations Center Building.

# ESCO Lease (225)

The ESCO Lease Fund is a debt service fund established to account for the debt service associated with the obligations relating to the County's Energy Performance Contract with Energy Savings Group (ESG). This lease was entered into to fund upgrades and replacements of critical building infrastructure at County facilities, including the Detention Center, Courthouse and Sheriff's Administration building relating to the County's Energy Performance Contract. These energy efficiency improvements will offset the cost of the lease. Energy Savings Group will pay any balance on the lease not offset by these energy cost savings.

#### Notes:

The ESCO Lease fund (225) was established during the FY 2022 Budget to account for the debt service related to the County's Energy Performance Contract with Energy Savings Group (ESG). The savings generated from this contract for FY 2022 is reflected in the Facilities Management and Facilities Detention Center operating budgets in the General Fund (001).

# Capital Improvements (305)

Fund Type: Capital Projects

The Capital Improvements Fund is a capital project fund established in support of the County's Capital Improvement Program. A major revenue source of the Capital Improvement Fund is a transfer from general revenue dollars. The fund is used to account for resources and expenditures associated with the acquisition or construction of major non-transportation related capital facilities and/or projects other than those financed by Proprietary Funds.

### Notes:

The FY 2022 – FY 2026 Capital Improvement Plan is primarily focused on maintaining the County's infrastructure of buildings, roads, stormwater system, parks, information technology and fleet. In FY 2021, as part of the budget balancing strategies implemented in response to revenue losses associated with the COVID-19 pandemic, capital improvement projects were reduced or deferred. This allowed for the reduction in the general revenue transfer to the Capital Improvement Fund (305) by \$2.32 million.

The FY 2022 general capital improvement program is \$11.1 million. The general transfer to support the capital fund is \$5.0 million, a slight decrease from the \$5.12 million transferred in FY 2021. In addition, in FY 2021 Leon County received \$57.02 million in American Recovery Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. \$3.6 million of this funding was allocated to the Capital Fund for FY 2022 and another \$6.59 million in FY 2023. Without the ARPA funding, reductions to the capital program would have occurred. Out-years reflect revenues returning to normal growth and the general revenue transfer increasing to \$12.97 million by FY 2026.

Resources to support the capital program also reflect the final year pay back of sales tax dollars for the \$6.5 million borrowed from the capital program to support matching grants for sewer projects in the Primary Spring Protection area of the County.

For FY 2022, funding of \$2.26 million is allocated for building infrastructure, roofs, and maintenance repairs, \$2.09 million for the Detention Center and Sheriff's Evidence Storage Facility. In addition, \$400,000 was allocated to support the Essential Library Initiative, a process of re-envisioning of the Leon County Public Library System to address the changing needs of residents and trends in library use. These funds are for space improvements to the Main and Branch Libraries. Funding to support this initiative total \$1.6 million over the next five years.

# **Transportation Improvements (306)**

Fund Type: Capital Projects

The Transportation Improvement Fund is a capital project fund established to account for transportation related capital projects. Major revenue sources for the Transportation Improvement Fund include proceeds from local and state gas taxes from the Transportation Trust Fund (106). Leon County imposes a total of twelve cents in gas taxes.

#### Notes:

When originally approved for collection beginning January 2014, the second local option gas tax was split 50/50 for sidewalk projects and general transportation maintenance. In FY 2019, this gas tax was approved for reallocation to stormwater projects for two years (FY 2020 and FY 2021) to fix chronic flooding problems on county roads. However, in the FY 2021 budget, due to COVID and subsequent budget balancing strategies for FY 2021, sidewalk funding was suspended, and transportation and stormwater funding were reduced with sidewalk funding being budgeted solely from Sales Tax Extension (352) funds.

In FY 2021, Leon County received \$57.02 million in American Recovery Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. As part of the FY 2022 budget process, the Board allocated \$2.7 million of this funding to the Transportation Capital Fund in FY 2021 for critical road/flood projects delayed because of the pandemic including: Baum Road; Ben Boulevard; the Miccosukee Road bridge replacement; and Maylor Road.

For FY 2022, with the allocation of ARPA funding in the current fiscal year, the transfer to the Transportation Capital decreased by \$1.4 million. Additionally, the second local option gas tax returned to being split 50/50 between sidewalks and transportation maintenance projects with \$1.29 million allocated for sidewalks. In addition, \$440,450 in available fund balance is allocated to support the Transportation Capital Program.

### Sales Tax (308)

Fund Type: Capital Projects

The Local Option Sales Tax Fund is a capital project fund established in accordance with a 1989 county-wide referendum, and is used to account for resources and expenditures associated with the construction of transportation and jail facility related projects. The Local Government Infrastructure Surtax includes proceeds from a One-Cent Sales Tax on all transactions up to \$5,000. Pursuant to an interlocal agreement with the City of Tallahassee, the revenue generated by the tax will be split between the County and the City. The County's share of the proceeds is equal to 52.84%, and the City's share is equal to 47.16%. The 1989 referendum approved the sales tax levy for a period of fifteen years; however, through a county-wide referendum passed in November 2000, the sales tax was extended for an additional fifteen years (Note: the extended sales tax is accounted for in Fund 309).

#### Notes:

The current 1-Cent Local Option Sales Tax expired in 2019. In November 4, 2014, Leon County residents approved a ballot initiative to extend the sales tax for another 20 years until 2039. In FY 2020, two new funds (351 and 352) were established for the new sales tax extension that went into affect on January 1, 2020. Previous projects assigned to this fund were moved to fund 351. This fund is still open due to the accumulated funds in the intersection and safety improvement project to support the reconstruction of the Blair Stone Road and Old St. Augustine intersection. The project is proceeding with design and right of way acquisition.

### Sales Tax - Extension (309)

Fund Type: Capital Projects

In November of 2000, Leon County residents approved a referendum extending the imposition of the 1 Cent Local Option Sales Tax beginning in FY 2004 for 15 years. The extension commits 80% of the revenues to Blueprint 2000 projects and will be jointly administered and funded by Leon County and the City of Tallahassee. The remaining 20% will be split evenly between the County and the City. The County's share will be used for various road, stormwater and park improvements. The Blueprint 2000 Joint Participation Agreement Revenue supports County projects funded through the County's share of the \$50 million water quality/flooding funding.

The current 1-Cent Local Option Sales Tax expired in 2019. In November 4, 2014, Leon County residents approved a ballot initiative to extend the sales tax for another 20 years until 2039. Two new funds (351 and 352) were established for the new sales tax revenue beginning in FY 2020 to account for the projects that were programmed in this fund. This fund remains open for expenditures related to the Lexington Pond Retrofit project.

# ESCO 2020 (323)

The ESCO 2020 Capital Projects Fund was established in 2020 to account for energy saving loan proceeds and capital expenditures related to the installation of energy savings projects related to lighting, mechanical and water system upgrades primarily at the Courthouse and Detention Facility. A companion debt service fund (Fund 223) was established to fund the debt service for this capital financing loan.

# 9-1-1 Capital Projects (330)

Fund Type: Capital Projects

The 9-1-1 Capital Projects Fund was established to support of the capital needs of the emergency communications system. Major revenue sources of the Emergency Communications Fund include proceeds transferred from the 9-1-1 Emergency Communications Fund which includes: wireless Enhanced 9-1-1 fee (50 cents/month per service subscriber) pursuant to F.S. 365.172 - 365.173; and the 9-1-1 fee (50 cents/month per service line) pursuant to F.S. 365.171(13). The fund is used to account for resources and expenditures associated with capital projects related to the provision of 9-1-1 emergency services.

### Sales Tax - Extension 2020 (351)

Fund Type: Capital Projects

On November of 2014, Leon County residents approved a referendum providing a second extension of the 1998 imposed 1-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. The extension commits 80% of the revenues for Blueprint 2020 infrastructure projects, Blueprint 2020 Economic Development Programs, and Livable Infrastructure For Everyone (L.I.F.E.) projects. The remaining 20% is split evenly between the County and the City. The County's 10% share, accounted for in this fund, will be used for transportation resurfacing and intersection improvement projects and other statutorily authorized uses approved by the County Commission.

#### Notes:

This fund was established to account for the County's 10% share of the sales tax extension starting January 1, 2020. The FY 2022 revenue estimates reflect sales tax collections growing from FY 2021 as consumer spending increases after the lifting of stay-at-home orders and the availability of COVID vaccines.

With the sales tax taking effect on January 1, 2020, the FY 2020 actuals reflect only nine months of collections. The first year of collections was affected by COVID and the associated drop in consumer spending starting in March 2020. The 10% share supports the County's annual road resurfacing, OCGM maintenance and intersection/safety capital projects.

### Sales Tax - Extension 2020 JPA Agreement (352)

Fund Type: Capital Projects

In November 2014, Leon County residents approved a referendum providing a second extension of the 1-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. The extension commits 80% of the revenues for Blueprint 2020 infrastructure projects, and will be jointly administered and funded by Leon County and the City of Tallahassee. The Blueprint 2020 Joint Participation Agreement Revenue supports County projects funded through the County's share of the sales tax extension. The BP 2020 JPA revenue, accounted for in the fund, will be used for Water Quality and Stormwater, and Sidewalks. The fund also accounts for the 2% portion of the fund dedicated to Liveable Infrastructure For Everyone (L.I.F.E.) projects.

#### Notes:

In November 4, 2014, Leon County residents approved a ballot initiative to extend the current 1-Cent Local Option Sales Tax for another 20 years until 2039. This fund has been established to account for the 2% sales tax share dedicated to the L.I.F.E. program, and the County's share of the Blueprint JPA revenue.

For FY 2022, Sales Tax Extension revenue estimates show a rebound from the reduction in FY 2021 in which the County's 2% for L.I.F.E. funding was projected to be approximately \$175,000 less due to the Coronavirus pandemic. Sales Tax Extension projects in FY 2022 include the Sidewalk program and L.I.F.E. projects (Rural Road and Safety improvements, Miccosukee Sense of Place, Street Lighting, Boat Landing, and Recreational Amenities). In addition, transfers reflect the final refunding payment of \$2.12 million to the Capital Fund for the \$6.5 million in advanced payments for water quality sewer projects funded from the Capital Fund. Additionally, the Blueprint JPA revenue is consistent in FY 2022 and the out-years since this is a lump sum payment from Blueprint specified in the interlocal agreement.

# Solid Waste (401)

Fund Type: Enterprise

The Solid Waste Fund is an enterprise fund established in support of the County's waste management programs. Major revenue sources for the Solid Waste Operations Fund include the Non-Ad Valorem Assessment, and Transfer Station Tipping Fees. The fund is used to account for resources and expenditures related to the operation of the County Solid Waste Management Facility and the provision of the County Waste Management program.

#### Notes:

**Revenues Less Appropriations** 

(171,174)

The Solid Waste fund is an enterprise fund and is supported by a non-ad valorem assessment and tipping fees collected at the Transfer Station. During the FY 2020 budget process, the Board adopted a multi-year fiscal plan that reallocates \$4.1 million in FY 2021 debt services savings to avoid future tax and fee increases.

634,434

The plan allowed for the elimination of the rural waste center collection fees and avoids the need to raise the non-ad valorem assessment. For FY 2021, the plan called for the reallocation of a portion of debt service savings to the solid waste fund to support the Rural Waste Service Centers and the recycling contract. For FY 2022, the general revenue transfer increased by \$215,514 to \$1.65 million and continues to support recycling, and the rural waste collection centers.

The transfer station tipping fee increases by \$1.98 effective October 1, 2021 to cover the required adjustments to the solid waste disposal and hauling contract and the CIP increases related to operating the Transfer Station. Even with this tipping fee increase, the FY 2022 estimated budget reflects reduced transfer station tipping fee revenue. This is due to revised tonnage estimates involving an overestimation of FY 2021 total tonnage that used storm debris collections from previous years.

In addition, a new Hazardous Waste Materials Technician position was approved during the FY 2022 budget process to establish a new drop-off site at the Public Works complex. Funding for this position is offset by a reduction in program overtime no longer necessary to staff monthly hazardous waste collection events.

FY 2022 capital funding is included for Transfer Station Heavy Equipment Replacement and Transfer Station Improvements.

# **Insurance Service (501)**

Fund Type: Internal Services

The Insurance Service Fund is an internal service fund established in support of general County operations. Major revenue sources of the Insurance Service Fund include proceeds from interdepartmental billings. The fund is used to account for resources and expenditures associated with assessed premiums, claims, and administration of the County's Risk Management Program related to auto and property liability, workers' compensation, and other types of insurance.

### Notes:

The FY 2022 insurance budget reflects an increase to properly fund the County's liability for self-insurance for workers' compensation claims.

# **Communications Trust (502)**

Fund Type: Internal Services

The Communications Trust Fund is an internal service fund established to account for the resources and expenditures associated with the County's communications network, which includes the telephone and internet systems. The individual departments and agencies are assessed based on the number of internet connections, data lines, and telephone usage within their individual areas.

# **Motor Pool (505)**

Fund Type: Internal Services

The Motor Pool Fund is an internal service fund established to account for the costs associated with operating and maintaining the County's fleet of vehicles and heavy equipment. This internal service fund generates its revenues from direct billings by the Fleet Management Department to other departmental users. Fuel purchased by the Fleet Management Department is supplied to departmental users at cost plus a minor surcharge. Repairs and maintenance performed by the Fleet Management Department are charged to users at the costs of parts plus an applicable shop rate.

#### Notes:

The FY 2022 decrease in this fund reflects fleet fuel savings related to the cost of diesel fuel and a more fuel efficient fleet. In addition an Administrative Associate V position, whose duties were reallocated to other Public Works administrative personnel for organizational efficiency, was eliminated.
