### **HIGHLIGHTS**

The Mental Health Coordinator continues to provide case management services for all mentally ill defendants with criminal charges pending in Leon County. It's estimated that 61,495 jail beds and \$5.9 million in costs will be avoided in FY 2024 due to Mental Health Coordinator intervention.

Teen Court continues to be one of the most successful and cost-effective juvenile diversion programs. The recidivism rate, a key indicator of the program's success, is reported on graduates that re-offend within one year of completing the program. It is estimated that only 3.41% of graduates will re-offend in FY 2024.

Beginning in FY 2016, at the request of the Court Administration, the Board approved the creation of the Veteran's Court, which is funded annually by the State of Florida. The Veteran's Court provides felony and/or misdemeanor pretrial or post-adjudicatory veterans' treatment intervention programs to address the substance abuse and/or mental health treatment needs of veterans and service members charged with, on probation or community control for criminal offenses. An estimated 34 defendants will be served by the Veteran's Court in FY 2024. Additionally, the Board approved a plan to use current and future funds from the opioid litigation settlement to expand existing programs provided by the 2<sup>nd</sup> Judicial Circuit for substance abuse treatment and other ancillary services for people involved in or transitioning out of the criminal justice system and adversely impacted by opioids in Leon County.

In FY 2017, the State Attorney's Office established a new diversion program to address minor offenses through community interventions. The State Attorney's Office will receive and handle approximately 5,700 felony referrals, 750 juvenile referrals, and 6,100 misdemeanor referrals in FY 2024. The State Attorney Office continues to provide efficient and effective prosecution and dispositions of all felony, misdemeanor, and juvenile criminal cases referred. The County continues to provide additional funding support for first appearance attorneys to assist in reducing the jail population.

The Public Defender's Office estimates a total of 9,000 cases to be closed in FY 2024. The Public Defender's office continues to provide quality legal representation to all indigents charged with criminal offenses. The County continues to provide additional funding support for first appearance attorneys to assist in reducing the jail population.

In FY 2008 new reporting requirements for Article V entities were implemented. Effective July 1, 2004 Article V of the Florida Constitution required counties provide funding for certain costs incurred by the state court system. As defined in s. 29.008, F.S., counties must fund the following: (1) Communications services, including telephone expenses, computer equipment/networks, courier/subpoena services, and auxiliary aids; (2) Existing radio systems; (3) Existing multi agency criminal justice information systems; (4) Facilities costs including construction or lease of facilities for court functions, maintenance of these facilities, utility costs, security; and (5) Local Requirements including Legal Aid.

The budget decrease is due to the allocation of the phone system and other communications charges that are adjusted annually.
